2023 The world is a complicated place for young people to navigate. We continue to anticipate change and adapt to the needs of youth. Children face many obstacles, making academic success even harder to achieve. Food insecurity continues to be a critical issue, and the emotional well-being of our children is at risk. These challenges represent only a small portion of what youth face. I truly believe that in today's environment, the work we do here at the Boys & Girls Club of Cabarrus County is more important than ever.

The Club offers a safe, positive environment with caring mentors who provide the support kids and teens need. We offer homework help, dedicated time with certified tutors, hot meals daily, weekend meal boxes, sessions with certified counselors, and so many other valuable programs. None of this would be possible without the support of donors like you. Thank you for being a vital part of our mission. Together, we are shaping brighter futures and building a better tomorrow for our youth.
