APRIL 2023

EXCITING NEWS AND IMPORTANT UPDATES FROM INSIDE THE CLUB!

Thanks to our Athletic Director - **Tina Pritchard**, Assistant AD - **Thad Smith**, and the over 50 volunteer coaches, our 2023 Basketball Program was a success! **Over 300 youth** battled through their own March Madness that led to these final results:

- 7-9 girls: Cheetahs
- 10-12 Girls: The Sting
- 7-8 Boys: Bulldogs
- 9-10 Boys: Tarheels
- 11-12 Boys: Hornets

We are so proud of each team and all they accomplished this season!

After a quick pause for the Pancake Day Fundraiser, Tina and team quickly switched from serving pancakes to volleyballs!

With nearly **140 youth** signed up (a definite increase from last year), the 2023 Volleyball season kicked off practices at the end of March with the first matches starting mid-April.

We look forward to watching youth grow in this sport as the season plays out. Champs will be crowned in early June!
