**SWEET** *Summertime!*  
**IT'S TIME TO ADVENTURE!**

Although we have over **630 students registered**, there is still some space available in our 2022 Summer Program – and that’s something we could only dream about prior to the expansion!

**Our goal was to welcome all youth and to not turn large amounts away due to space, and this is the first summer we are able to do just that.**

We are so excited for a season of **play, discovery, field trips, crafts, canoeing, fishing, swimming, and so much more** with a FULL expanded building! Our playground will be finalized and rebuilt by the start of summer, and our outdoor basketball court is up and running.

The Summer Program will run from **June 13 – August 10**, operating **Monday – Friday, 7:30am – 6:30pm**. If you are interested in enrollment or working this summer, visit our website for more information.

# Spotlight!

RENEE MCCULLOUGH

**Renee** began her journey with Boys & Girls Club in the summer of 2012 working as a Program Aide during our camp. She had just earned her BS in Criminal Justice from UNC-Charlotte at the time and would be headed to Basic Training in the fall. **After serving 6 years with the Concord Police Department, Renee found her way back to our Club family – and we are so thankful to have her!**

Today, Renee serves as our **High School Program Director** where she supervises and develops the activities for our teens. She designates her time to assuring teens are successful both in school and in life beyond. She focuses on finding kids' **career interests**. She finds **colleges and program courses** to help students make their next steps, focuses on **resume building** and practicing **mock interviews** through BGCA programs like **"This Way Onward."** She teaches the importance of **voting** with the help of an organization called **Democracy Now**. Students practice personal finance through "Money Matters" activities in her classroom. **More than anything, Renee is a safe place for our teens and a trusting mentor in their lives.**

Renee also oversees the **Keystone Club**, which provides teens with valuable leadership and service experience. Keystone members plan and engage in **community service projects, special events and volunteer** inside and outside the Club.

*"My favorite part is just seeing them come through the doors and being excited to tell me something. We make each other better."*  
– Renee McCullough

# YOUTH OF THE Year!

HALEY MILLER

**Haley Miller**, Northwest Cabarrus High School Senior, was selected as our 2022 **Youth of the Year** back in February of this year. She went on to win at the local level which led her to the State Competition. Haley was one of 19 across the state of NC competing for Youth of the Year, and we are so proud to say **she won!**

**For the first time since 1988**, a BGC Cab Co student will go on to represent NC in the Southeast Region Competition in Atlanta this June! **We are so proud of how far Haley has gone and sending her lots of luck as she continues in the competition.**

Haley has accepted enrollment at **Liberty University** where she aspires to pursue the medical field and one day attend medical school. **She is a member of the Keystone Club and a Club Counselor in our Afterschool Program. Congratulations Haley, we are so proud of you!**
